SENATOR CUDABACK: LB 240 does advance. Mr. Clerk, items for the record? Speaker Kristensen, you're recognized.

SPEAKER KRISTENSEN: Thank you, Mr. President, members of the Legislature. Members, I want to remind you of a couple things. I've passed out a memo about priority bill deadlines. Reminder is that this Friday, prior to adjournment, is the deadline for the designation of your senator and committee priority bills. It is also the deadline if you want me to consider any of your bills as a Speaker priority. And that's by adjournment on Friday. Also note that we're, for your planning purposes, full-day sessions will begin Tuesday, March 20. And so we'll put out another memo at some point in time, but generally we're going to follow the same practice as we have in the past. We're going to work through the lunch hour and adjourn early on the last day of each week. And I would envision that to be 2:30 p.m., two o'clock, 2:30 p.m., unless we're making some real progress. But for your planning purposes, all day sessions start Tuesday, March 20. With that, Mr. President, I'd move that we adjourn until tomorrow morning at 9:00 a.m.

SENATOR CUDABACK: I will allow the Clerk to do announcements or items for the record, please.
